Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Friday 02 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
On and off rain, with risk of thunder.

This Evening and Tonight:
Early evening mostly dry but with a band of showery rain, locally heavy, in the far southwest of the region. This band moving northeast through the night, followed by a band of widespread but lighter rain in the early hours. Minimum temperature 13 deg C (55 deg F).

Saturday:
A cloudy start with further outbreaks of rain at times through the morning. Sunny spells developing into the afternoon along with showers, locally heavy and perhaps thundery. Feeling warm. Maximum temperature 22 deg C (72 deg F).

Outlook for Sunday to Tuesday:
Sunny spells and heavy showers, locally thundery on Sunday. Increasing cloud through Monday with outbreaks of heavy rain through the afternoon. Blustery with sunny spells and showers on Tuesday.
